Hello Aaron,

Thank you. Usually the FBI's prepublication review policy provides for a review period of thirty business days not counting the day of receipt. This review period can be extended depending upon the complexity of the materials being reviewed, but in most cases the reviews are completed within the thirty business day period. A review of your submission is in progress and we will advise of the results upon completion. That being said, my boss is on leave until the new year. So it will be some time in January.

Have a great holiday!

Hello [redacted]

I just got your email - I was out last week. It's not a pilot, it's a spec-script (screenplay) for a movie, entitled *Last Bullitt*.

Thanks for your help. Please let me know if you have any other questions. No rush on this, but do you have an idea on how long the review will take?

Thanks!

The author contacted me last week and I have not heard from the recipient of my last email. Talk with Mr. Hardy and see what he wants to do. FYI. When he completed his review, he wrote on the manuscript "No FBI info. Ask CTD (Mr. Hardy's writing might actually say CID) if they really want to review this manuscript" Now, I may have originally messed up by submitting to CTD versus CID. I am not sure. I assumed it said CTD because it deals with Iranian Islamism. See what he wants to do. Personally, I say approve it.

Good afternoon [redacted] It's [redacted] again. I'm not sure why, but many people are focusing their manuscripts on the Middle East. I have a new submission (actually received almost 2 weeks ago). I had to find a way to copy the text and transfer it to FBINET (it was too big for the disk). It is 450 pages and the title is "Iranian Islamism and the Global Threat." Like before, we need someone in your unit to review it to ensure classified and sensitive information is not being released. Because of the specific topic and the size, we will be advising the author that it is necessary to extend the review period. We would like to respond to the author by the end of October. I would like to thank you again for your assistance in this matter. FYI- I will be splitting the text and sending it as two attachments. Have a good weekend.

Mike, Bruce Mowday, Tom Cloud and myself wrote a book on these guys and we talked about the surveillance where you were in the plane and the radios were out of use and we gave new radios to a cop who met you at the airport in ny someplace and he wouldn't give you the radios and made you go get your credentials to verify you were an agent since you didn't fit what he expected to see at 2 or 3 in the morning. The B says I need permission to use your name so if you agree it's okay please let me know. Thanks you and best regards, Dave Richter

Dear Dave,

I also enjoyed talking with you about the Johnston brothers and I am looking forward to reading the book when it comes out. You have my permission to use my name in the book and Judy Brown is how most people remember me, so not using my married name is of no concern to me. Again, I look forward to the book's publication and reading about a very exciting case.

Judy, It was nice talking with you yesterday. As I mentioned Tom Cloud from the PSP, myself and Bruce Mowday from our local paper wrote a book about this gang and it is set to come out in February 2009 . It is being done by Barricade books in New Jersey. The B said the book is okay but I need permission to use agents names in the book. There is a section dealing with surveillances where Sue Johnston confronted several agents in Kennett Sq., Pa. and you were one of them with Al Bodner, Mike Zizzo etc. The book is very favorable to law enforcement and explains what can be accomplished when we all work together. Therefore I am asking for your permission to use your name in the book. It would be Judy Brown not Leff. Please let me know if it is okay. Thankyou and best wishes for the holidays. Dave Richter
